Quimby Oak Middle School
Lobo School of Innovation

Quimby Oak Middle School offers two unique options for students. When entering 7th grade, students will have the option to choose which educational style fits them best. There are two programs available: Lobo Comprehensive Program (LCP) and Lobo School of Innovation (LSI).

Each program offers rigorous common core standards being taught in the classes by highly qualified teachers. Each program also offers a collaborative teaching model.

LCP has content specific teacher teams who collaborate together throughout the year to best support students that travel to all their classrooms. LSI offers a co-teaching model that allows for the students to learn with two teachers per room in a dual learning environment. LSI also uses Project-Based Learning (PBL) as the method of delivery to teach the common core standards and engage students.

Both programs offer technology usage to enhance the educational experience for students. What makes LSI unique is the 1:1 teach to student ratio as well as the teaching method that is used.

The important part to remember is that we are one united middle school. All students have equal access to school programs, athletics, clubs, etc.

As a Lobo, students have a choice in their academic program. Offering differentiated academic programs for students to choose makes our middle school cutting edge, student centered, and inclusive to all learners. At Quimby, we are proud of our diverse academic programs and we strive to create a middle school experience that engages every student!

The district follows uniform procedures when addressing complaints alleging unlawful discrimination or failure to comply with state or federal law in programs for consolidated categorical aid, migrant education, child nutrition, special education, adult basic education, vocational education, and child care & development. Contact the Superintendent or designee, if you have a question concerning noncompliance on any of the programs listed. Textbook and Library Books

Students are responsible for the use and care of all textbooks issued to them. They are also responsible for any library books they check out. Students and their parents/guardians are financially responsible for lost or damaged books (Ed. Code 48904). Please be aware of this and take care of them appropriately. Library books should be returned on or before the due dates.

Search and Seizure

School officials may search any individual student, his/her property, or district property under his/her control when there is a reasonable suspicion that the search will uncover evidence that he/she is violating the law, Board policy, administrative regulation, or other rules of the district or school. The types of student property that may be searched by school officials include, but are not limited to lockers, desks, purses, backpacks, student vehicles parked on district property, cellular phones, or other electronic communication devices. (Ed Code 49050, BP/AR 5145.12)

Attendance

Attendance

It is the responsibility of the parents/guardians to make sure students attend school daily (Education Code 48200). Students who miss more than the allotted absences or tardies from school will receive official notices of truancy (Education Code 48260). This process can lead to our district's Student Attendance Review Board (SARB) (Education Code 48263) and ultimately, the Santa Clara County District Attorney's Office for review and prosecution (Education Code 48264 and 48293 and Penal Code 270.1).

Truancy and Chronic Absenteeism

Truancy – "Education Code Section 48260 (a) A pupil subject to compulsory full-time education or to compulsory continuation education who is absent from school without a valid excuse three full days in one school year or tardy or absent for more than a 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof, shall be classified as a truant and shall be reported to the attendance supervisor or to the superintendent of the school district."

Chronic Absenteeism "A student is considered a chronic absentee if he or she is absent 10 percent of the days they were enrolled in a school. Chronic absence is different from truancy which counts only unexcused absences and indicates a violation of California's compulsory attendance laws. Average Daily Attendance (ADA) is the average number of students who attend school each day and is used for state funding purposes."

Excessive absences, excused and unexcused, are tallied up to determine chronic absenteeism (more than 10% of the school year missed).

Attendance

Attendance Office _____

Parents are to call the attendance line at:

Online Learning

Guidelines for Remote Meetings

- Students should inform their parents when they are entering a video conference with their teacher or class.
- Please find a quiet place where you can hear your teacher and background noise will not interfere with your learning.
- Please dress appropriately for a typical school environment.
- Please use language & vocabulary as you would in a traditional classroom.
- Put your screen view on the Teacher's device. Avoid any side conversations with classmates.
- Press the mute button on your video platform so that you can hear your teacher better. Only unmute when sharing your thoughts.
- Keep your camera on when entering a meeting.

Remote Classroom Norms & Expectations

Much like in our physical classrooms, teachers and students develop Norms and Expectations for their new remote classrooms. In this way, students will be clear on what is expected and how to succeed in class. Please discuss proper online etiquette before your student joins the remote classroom. This includes expectations about cameras, microphones, and appropriate attire as defined in this handbook.

Education Code section 51512 makes it **unlawful** to use a listening or recording device in any classroom without the prior consent of the teacher and/or principal. It is unlawful to record online instruction without the consent of all parties.

Virtual Meeting- Zoom, Google Meet. etc

Virtual meetings may be recorded to ensure students who miss the synchronous meeting can review the lesson(s) on their own. The recordings will be protected and only shared with students, parent(s)/guardian(s) of students, and/or district personnel with a legitimate educational interest. They will not be posted in a public forum.

Recommendations:

- Prepare a quiet and neutral area for students to engage in the meeting (i.e. dining room table).
- Ensure student is dressed appropriately during the meeting.
- Ensure student understands ALL their behavior may be recorded and they can be removed from room.
- Review district Technology Acceptable/Responsible Use Policy for acceptable behavior and consequences. Prepare you and your students for online ethical behavior by reviewing Raising Digital Citizens.
- Evergreen School District utilizes Google Hangout and Zoom as our primary video conferencing tools. Please contact your teacher if you wish for your student not to participate. Should a family prefer not to use the video feature, they may disable the video settings after letting the teacher and assistant principal know.

Student Body Activities

Throughout the year, the Student Body holds many activities for our students. Student rallies, assemblies, noontime activities, fundraisers, the student store, special event days, and dances for Quimby Oak students are provided for all in good standing. Students must have a signed permission slip and their student ID to attend a school dance.

Pictures, ASB Cards and Yearbooks

Students are encouraged to purchase school pictures and yearbooks. Sales of these items occur early in the year. ASB cards are given free to students after picture day in September. There is a replacement charge of \$5.00 for ASB cards. You can have a replacement ID made in the front office.
